## Latest News

**New Member Registration is now open!** We still have a TON of people who have NOT renewed their memberships. Memberships run from June 1- June 1 each year. We are excited to have our new website up and running! If you have recently changed email addresses or have any other issues please let us know at [info@tulsapipeliners.org](mailto:info@tulsapipeliners.org). We have a new website so please log-in and pay your dues to be ready for the dinner!

**Next Meeting is Monday, October 27th, 2014** at The Tulsa Country Club located at 701 North Union Ave, Tulsa, OK. [www.tulsacountryclub.com](http://www.tulsacountryclub.com)

This month we will be having **Xan Black, Program Director with Tulsa Regional STEM Alliance**, speaking about "Engaging the Oil and Gas Workforce for tomorrow, TODAY! Xan has been in the industry for many years and has completed a lot of efforts that have benefited us including the following:

- |      |   |
|------|---|
| 2013 | Charter Coalition Partner of Tulsa Regional STEM Alliance     |
| 2013 | Leadership Team for US2020 City Competition Grant             |
| 2013 | Board Member of Oklahoma Engineering Foundation               |
| 2013 | STEM Advisory Panel for Tulsa Tech                            |
| 2013 | Secretary of Northeastern Oklahoma Society of Women Engineers |
| 2012 | Trustee of Tulsa Engineering Foundation                       |
| 2012 | Advisory Council Member for Tri-County Technology Center      |

The dinner this month is sponsored by **IPS Engineering**. *IPS Engineering/EPC provides a full range of engineering, procurement, construction and land services to the oil and gas industry for pipelines and related facilities. IPS is a wholly-owned subsidiary of the PLH Group, a portfolio company of the private equity firm Energy Capital Partners.*

*Our objective at IPS is to provide a full range of integrated services related to the pipeline industry including Project Management, Engineering, Procurement, Right-of-Way and Land Services, Survey and Field Services, Drafting and Mapping, and Construction. IPS Engineering/EPC takes pride in the ability to coordinate effectively between these services. Our investment in the latest technologies, including our web-based Integrated Project Management System, ensures the highest service levels and the best outcome is delivered to our clients in the most cost-effective way. IPS clients expect flexibility, accountability and quality...and we deliver!*

**Social Hour** – Social Hour begins at 5:15 pm followed by dinner at 6:15 pm. Cocktails will be served in the main dining hall and dinner will follow at the Tulsa Country Club. Please plan on attending and bringing one or more guests.

**Menu** - Dinner this month will be a buffet style. Buffet will include assorted salads, entrees of chicken, fish and beef, along with a starch, vegetable, dessert and choice of beverage. If you have special dietary needs, please include your request with the reservation. Dinners are \$35, mixed drinks/wine \$7, beer \$4, and soda \$3.
